WITHOUT LIMITING THE FOREGOING, ANY MARKET DATA, POTENTIAL EXECUTION ROUTES, ASSET PRICES, ESTIMATED TRANSACTION COSTS, OR OTHER INFORMATION DISPLAYED ON THE PLATFORM IN CONNECTION WITH CRYPTO ASSET OR CRYPTO ASSET SECURITIES (AS SUCH TERMS ARE DEFINED BELOW) TRANSACTIONS IS PROVIDED ON AN INFORMATIONAL BASIS ONLY, IS GENERATED BY PUBLICLY AVAILABLE BLOCKCHAIN DATA AND THIRD-PARTY SOURCES, AND DOES NOT CONSTITUTE A RECOMMENDATION, ENDORSEMENT, OR SOLICITATION BY THE COMPANY TO ENGAGE IN ANY PARTICULAR TRANSACTION.

You agree that these Terms are the legal equivalent of a signed, written contract and constitute a legally binding agreement between Omex and you, as a user of the Platform, that you have read these Terms, and accept, understand and will be bound by them.

PLEASE READ THE FOLLOWING TERMS AND CONDITIONS RELATING TO YOUR USE OF OUR PLATFORM CAREFULLY. THESE TERMS CONTAIN A MANDATORY INDIVIDUAL ARBITRATION PROVISION IN SECTION 23 (THE “ARBITRATION AGREEMENT”) AND A CLASS ACTION WAIVER PROVISION IN SECTIONS 23.6 AND 23.7 (THE “CLASS ACTION WAIVER”) THAT REQUIRE THE EXCLUSIVE USE OF FINAL AND BINDING ARBITRATION ON AN INDIVIDUAL BASIS TO RESOLVE DISPUTES BETWEEN YOU AND US, INCLUDING ANY CLAIMS THAT AROSE OR WERE ASSERTED BEFORE YOU AGREED TO THESE TERMS. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW (AS DEFINED BELOW), YOU EXPRESSLY WAIVE YOUR RIGHT TO SEEK RELIEF IN A COURT OF LAW AND TO HAVE A JURY TRIAL ON YOUR CLAIMS, AS WELL AS YOUR RIGHT TO PARTICIPATE AS A PLAINTIFF OR CLASS MEMBER IN ANY CLASS, COLLECTIVE, PRIVATE ATTORNEY GENERAL, OR REPRESENTATIVE ACTION OR PROCEEDING.

1. Scope of Agreement

1.1. Access and Use. By accessing and/or using the Platform, you agree to these Terms. These Terms apply to any use of the Platform including (1) when you register a user account; (2) when you sign up for, receive, or use any products or services available through the Platform, including but not limited to messaging, data, research, and other services provided through the Platform (“Platform Services”) and (3) when you use the Platform as a guest or visitor.

1.2. Certain Definitions. As used in these Terms:

1.2.1. “Crypto Asset” means any digital representation of value that is recorded on a cryptographically secured distributed ledger.

1.2.2. “Crypto Asset Security” means a Crypto Asset that constitutes or represents a security under applicable law, including tokenized versions of equity or debt securities.

1.2.3. “Distributed Ledger Trading System” means any blockchain-based trading protocol or system, including automated market maker liquidity pools and liquidity aggregators, in respect of which the Platform may display information or enable users, acting solely on their own initiative and through their own Self-Custodial Wallets, to prepare user-selected transaction instructions for independent submission to the relevant network or protocol.

1.2.4. “Self-Custodial Wallet” means software or hardware used to store a user’s private key for engaging in Crypto Asset transactions, where neither Omex nor the Platform has custody of, or access to, the user’s encrypted or decrypted private key.

1.2.5. “Transaction Parameters” means user-configurable settings relating to a Crypto Asset transaction, which may include parameters regarding buy/sell direction, volume, asset selection, price or price range, price slippage, transaction costs (including maximum gas fees, priority fees, and tips), and transaction time.

1.3. Nature of the Platform; Technology Infrastructure. The Company provides ancillary information technology infrastructure, consisting of a decentralized messaging layer and a data-routing interface. This infrastructure functions as a communication tool that allows independent third-party users to broadcast data to public distributed ledgers. The Platform provides a user interface — available via the Website, browser extensions, and/or the App — that enables you to interact with non-custodial, self-executing smart contracts deployed on public blockchain infrastructure, utilizing your Self-Custodial Wallet. Specifically, the Platform converts your selected Transaction Parameters into blockchain-legible commands for your signature and transmission via your Self-Custodial Wallet. The Platform may also provide you with market data, including potential execution routes, asset prices, and estimated transaction costs (such as gas fees), and may present educational materials to help you formulate and set your desired Transaction Parameters on a transaction-by-transaction or default basis. The Company’s role is strictly limited to the provision of software tools; it does not operate the underlying blockchain network, nor does it perform any financial service, custodial function, or transaction execution for or on behalf of any person. For the avoidance of doubt, Omex does not sign, submit, broadcast, transmit, validate, approve, reject, prioritise, settle or otherwise process any transaction for or on behalf of any user. Any transaction is initiated, authorised and transmitted solely by you through your Self-Custodial Wallet and the relevant third-party network, protocol, smart contract or Distributed Ledger Trading System.

1.4. Regulatory Status. THE COMPANY IS NOT A VIRTUAL ASSET SERVICE PROVIDER AS DEFINED UNDER THE VIRTUAL ASSETS SERVICE PROVIDERS ACT (AS REVISED) OF THE BRITISH VIRGIN ISLANDS (THE “BVI VASPA”) AND IS NOT REGISTERED OR LICENSED AS SUCH. THE COMPANY IS NOT REGISTERED AS A BROKER-DEALER

WITH THE U.S. SECURITIES AND EXCHANGE COMMISSION (“SEC”), AND **THE PLATFORM IS NOT A REGISTERED NATIONAL SECURITIES EXCHANGE OR ALTERNATIVE TRADING SYSTEM**. THE COMPANY IS NOT REGISTERED OR LICENSED BY ANY REGULATOR IN ANY JURISDICTION IN CONNECTION WITH ITS ACTIVITIES. THE SPECIFIC SCOPE AND LIMITATIONS OF THE COMPANY’S ACTIVITIES ARE SET FORTH IN THE PROVISIONS THAT FOLLOW.

1.4.1. What the Company Does Not Do. You understand and acknowledge that the Company does not, and will not, engage in any of the following activities: (a) take possession, custody, or control of virtual assets, Crypto Assets, Crypto Asset Securities, fiat currency, stablecoins, or private keys; (b) act as a counterparty to any trade or facilitate the settlement of funds or virtual assets between parties; (c) maintain the power to authorize, reverse, or deny transactions initiated by users; (d) provide investment advice or discretionary management of digital assets; (e) operate a centralized exchange, virtual assets exchange, or matching engine on behalf of users; (f) execute, settle, or facilitate the transfer of virtual assets between parties; (g) maintain “effective control” or administrative “admin keys” over the settlement layer of any protocol; (h) provide order-book management, trade execution, or market-making services; (i) negotiate terms for any transaction on your behalf; (j) solicit you to engage in any specific Crypto Asset Securities transaction; (k) arrange for financing in connection with any transaction; (l) process trade documentation; (m) conduct independent asset valuations; or (n) take or route orders. All interactions on the Platform with blockchain protocols or Distributed Ledger Trading Systems occur through non-custodial, self-executing smart contracts deployed on public blockchain infrastructure. Users interact with these protocols solely via independent, Self-Custodial Wallets. The Company provides only the software interface (UI) to allow you to broadcast your own transactions to permissionless networks. At no point does the Company interpose itself in the transaction flow or exercise discretion over the execution, routing, or settlement of any user-initiated transaction. Any arrangements entered into by Omex with any market maker, liquidity provider, service provider, protocol participant or other third party are entered into solely on a principal-to-principal basis and not as agent, broker, intermediary, exchange operator, transfer agent, settlement agent or fiduciary for any user. Omex does not arrange, intermediate, execute, settle or facilitate any transaction between users and any such third party.

1.4.2. Defined Business Objects. The Company’s business objects are limited to: (a) customizing and deploying licensed software code, front-end interfaces, and API infrastructure that enable third parties to interact with decentralized protocols (“Platform Deployment”); (b) providing documentation and technical assistance to ecosystem participants for the purpose of interfacing with publicly deployed, autonomous smart contracts (“Technical Support”); (c) operating information technology infrastructure (servers and nodes) that supports the availability of front-end access points to permissionless, non-custodial networks (“Ancillary Hosting”); and (d) conducting research and development on cryptographic systems, automated trading mechanisms, and blockchain scalability solutions (“Cryptographic Research”).

1.4.3. Self-Custody; No Custodial Function. You are solely responsible for maintaining the security of your Self-Custodial Wallet and private keys. The Company does not have custody of, access to, or control over your Crypto Assets, Crypto Asset Securities, virtual

assets, or private keys at any time. The Company does not host wallets or maintain custody or control over any person's virtual asset, wallet, or private key within the meaning of the BVI VASPA. **You acknowledge that the loss or compromise of your private key may result in the permanent and irreversible loss of your Crypto Assets, and the Company shall have no liability to you in connection with any such loss.**

1.4.4. Technology Access Fees. In respect of the Platform Services, fees payable to the Company are limited to technology access fees and technical support fees. You may be charged a technology access fee for the use of the Platform interface, which may be structured as a flat periodic fee or a fixed fee per interaction with the Platform. All fees are structured as technology access charges and are not contingent upon the brokerage, volume, or commission-based execution of virtual asset transfers. Fees are based on objective factors, applied consistently, and are agnostic as to the Crypto Asset or Crypto Asset Security involved, the execution route, the execution venue or Distributed Ledger Trading System, and the counterparty to any transaction. The Company does not receive compensation from any person other than you in connection with your use of the Platform. Nothing in these Terms restricts the Company from holding, receiving or managing its own proprietary assets, including tokens or token sale proceeds distributed to it by an affiliate, provided that the Company does so solely on its own behalf and not as an intermediary, agent, broker, exchange, custodian, transferor or settlement provider for or on behalf of any other person.

1.4.5. Execution Routes and Trading Venues. The Platform may connect or interact with one or more trading venues (such as limit order book matching systems or request-for-quote systems) or Distributed Ledger Trading Systems. Where the Platform displays only one potential execution route, you may have the ability to view additional routes, if applicable. Where more than one potential execution route is displayed, the Platform provides filtering or sorting tools that display potential routing destinations based on objective factors (such as alphabetically, lowest or highest price, or speed) and allows you to sort based on such factors. The Platform does not provide commentary on, or endorsement of, any particular execution route. For example, the Platform will not label any route as offering the "best price" or being the "most reliable." To the extent any trading venue or Distributed Ledger Trading System with which the Platform connects or interacts is created, offered, or operated, directly or indirectly, by Omex or its affiliates, such affiliation will be clearly disclosed to you, and the Platform will connect or interact with any such affiliated venue on the same terms and conditions as any unaffiliated venue.

1.4.6. Default Transaction Parameters. The Platform may establish default Transaction Parameters. You may customize any such defaults on a transaction-by-transaction or default basis through your user account. The Platform may provide educational materials to help you formulate and set your desired Transaction Parameters. Omex evaluates, determines, and periodically reassesses any default Transaction Parameters based on objective factors, and maintains policies and procedures to address any conflicts of interest or risks associated with any default Transaction Parameters. Information regarding the Platform's current default Transaction Parameters, how they are determined, the associated risks, and applicable conflicts of interest is available on the Platform. Any default Transaction Parameters are generic technical settings only. They are not personalised, are not based on your financial circumstances, investment objectives

or risk tolerance, and do not constitute investment advice, a recommendation, discretionary management or a determination that any transaction is suitable or appropriate for you.

1.4.7. Software Transparency; No Discretion. For purposes of preparing your trading instructions and displaying market data related to potential execution routes, the Platform uses software that operates based on pre-disclosed and objective parameters that are independently verifiable. Aside from the functions described in this Section 1.4, the Platform does not exercise any control or discretion over, or engage in any decision-making regarding, the market information provided to you, or any Crypto Asset or Crypto Asset Securities transactions.

1.4.8. Venue Due Diligence. The Company maintains policies, procedures, and controls reasonably designed to evaluate, onboard, and audit the trading venues and Distributed Ledger Trading Systems with which the Platform connects or interacts, based on objective factors such as liquidity, latency, transparency, verifiability, neutrality, auditability, and security. Information about the Platform's integration with trading venues and Distributed Ledger Trading Systems, including the names of such venues and systems and the Company's applicable policies, is available on the Platform.

1.4.9. Regulatory Characterization. The Company's activities are structured to fall outside the definition of a "virtual asset service provider" ("VASP") under the BVI VASPA. The BVI VASPA excludes from the definition of VASP activities that are limited to: (a) providing ancillary infrastructure to allow another person to offer a service, such as a cloud data storage provider or integrity service provider responsible for verifying the accuracy of signatures; (b) providing service as a software developer or provider of unhosted wallets whose function is only to develop or sell software or hardware; and (c) solely creating or selling a software application or virtual asset platform. The Company's provision of the Platform falls within these exclusions. Additionally, with respect to Crypto Asset Securities, the Company's operation of the Platform is informed by, and structured to be consistent with, staff-level guidance of the U.S. Securities and Exchange Commission regarding broker-dealer registration for certain user interface providers, which is subject to change, withdrawal, or supersession by formal Commission action or rulemaking. You acknowledge that changes in applicable law or regulatory guidance may require the Company to modify, restrict, or discontinue the Platform or any Platform Services, and that the Company shall have no liability to you arising from any such modification, restriction, or discontinuation.

2. Your Use of the Platform and Platform Services

2.1. Access and License. Unless otherwise specified, we grant you a non-exclusive, non-transferable, freely revocable limited right to access, use and display the Platform and the material provided therein, and any additional Platform Services for that you have signed up, for your personal, noncommercial use, provided that you comply fully with the provisions of these Terms and the applicable Service Specific Terms. You acknowledge that Omex's ability to provide access to the Platform is subject to the terms of Omex's license from the Platform Licensor, and Omex reserves the right to modify or discontinue the Platform and/or Platform Services, in whole or in part, to the extent required by the terms of such license. You agree not to assign, transfer or sublicense your rights as a user of the Platform and the Platform Services. You understand that only you may use your user account and password, and that your use of our Platform and Platform Services is only valid for your personal, noncommercial use and may not be shared with others.

You agree to be financially responsible for all your activity on the Platform and your use of and/or subscriptions to any Platform Services.

2.2. Binding Terms. By using the Platform and/or the Platform Services, you agree to be legally bound and to abide by these Terms. If you do not comply with these Terms at any time, we reserve the right to permanently or temporarily suspend, cancel or terminate your password, user account, and/or access to the Platform (or any part thereof) and/or the Platform Services, with or without cause and without liability. Upon their termination for any reason or no reason, you continue to be bound by these Terms.

2.3. Your Decisions. You are solely responsible for evaluating the merits and risks associated with the use of the Platform, any Content (as defined below) on the Platform and any Platform Services before making any investment, financial or other decision based upon the same. You acknowledge that Omex does not provide investment advice, investment recommendations, or any form of personalized financial guidance. Any market data, execution route information, asset prices, estimated transaction costs, or educational materials made available through the Platform are provided solely for informational purposes and do not constitute a recommendation or solicitation to engage in any particular transaction. **You are solely responsible for, and Omex disclaims any liability for, your investment decisions and for determining whether any Crypto Asset or Crypto Asset Security transaction is appropriate for you based on your own financial circumstances, risk tolerance, and investment objectives.**

2.4. Separate Agreements. Your election to engage any Platform Services is subject to your eligibility, explicit enrollment, and acceptance of separate agreements, including any Service Specific Terms, applicable to the Platform Services for which you choose to enroll.

2.5. Changes. At our sole discretion and without prior notice or liability, we may discontinue, modify or alter any aspect of the Platform or Platform Services, including, but not limited to: (i) restricting the time the Platform and/or Platform Services are available, (ii) restricting the amount of use permitted, (iii) restricting or terminating any user's right to use the Platform and/or any of the Platform Services, and (iv) making changes required by the terms of our license from the Platform Licensor.

2.6. Suspension and Termination. You agree and acknowledge that any termination or cancellation of your access to, or use of, the Platform and/or the Platform Services may be effected without prior notice. If you do not abide by these Terms, except as we may otherwise provide from time to time, you agree that we may immediately and permanently or temporarily suspend, deactivate or delete your user account and all related information and/or files in your user account and/or bar any further access to such information and/or files, our Platform (or part thereof) and/or the Platform Services. Further, you agree that we shall not be liable to you or any third party for any suspension, termination, cancellation or modification of your access to, or use of, our Platform and/or the Platform Services, except for a refund of any fees or charges prepaid by you with respect to the Platform Services as provided under our other applicable written agreement(s) with you. You acknowledge that your only right with respect to any dissatisfaction with any modification or discontinuation of service made by us pursuant to this provision or these Terms, or any policies or practices by us in providing this Platform or the Platform Services,

including without limitation any change in content or any change in the amount or type of fees or charges associated with the Platform Services, is to cancel or terminate your subscription or registered user account, as applicable. We will attempt to process all requests to cancel or terminate your subscription or registered user account within ten (10) business days after we receive your request and all documentation required to cancel or terminate your subscription or registered user account, and you acknowledge and agree that charges and fees incurred prior to the effective time of cancellation or termination will not be reversed. For the avoidance of doubt, Omex does not custody, hold, control or administer any user assets and will not be responsible for transferring, returning, liquidating, disposing of or otherwise dealing with any Crypto Assets, Crypto Asset Securities, virtual assets, fiat currency or other assets in connection with any suspension or termination of your access to the Platform or Platform Services.

3. Your Responsibilities

3.1. Sign Up Data.

3.1.1. For purposes of your use of the Platform and Platform Services, including identification and billing (as set forth in the applicable Service Specific Terms), you agree to provide us with true, accurate and complete information as required by the subscription or sign up process to our Platform Services, including, without limitation, your legal name, address, telephone number, email address, password, and applicable financial and billing information (collectively, "Sign Up Data"), and to allow us to share your Sign Up Data with third parties for the purpose of verifying the information you provide and administering your access to the Platform Services in accordance with these Terms and the Service Specific Terms. If we have reason to suspect, in our sole discretion, that you are the subject of an account that has previously been terminated, we reserve the right to terminate any new accounts you have registered without any notice to you, or to exercise any other remedies available to us under these Terms or by law.

3.3. Your Account. You are entirely responsible for maintaining the confidentiality of your password and user account information. You must notify us immediately in the event of any known or suspected unauthorized use of your user account, or any known or suspected breach of security, including loss, theft, or unauthorized disclosure of your or anyone else's password or user account information. In the event of a breach of security by you, you will remain liable for any

unauthorized use of your subscription until you update your Sign Up Data. You are the only person who may use your user account and password to access the Platform, and you are entirely responsible for any and all activities which occur under your user account. We will not be liable for, and expressly disclaim any liability for, any losses caused by any unauthorized use of your user account and/or any changes to your user account.

4.2. Mobile Carriers. You understand that such services may require fees, charges, limitations, and restrictions which might impact your use of the Platform and the Services (e.g., data usage charges), and you agree to be solely responsible for all such fees, charges, limitations and restrictions.

4.3. Availability. The availability and use of our Services may be limited based on different criteria in our sole discretion. You understand and agree that we may disallow you from subscribing to any or all Platform Services or may terminate your subscription to the Platform Services at any time based on any of these criteria.

By entering into these Terms, you acknowledge that we may collect, use, and disclose your personal information and aggregated and/or anonymized data as set forth in our Privacy Notice, and that your personal information may be transferred to, and/or processed in, any jurisdiction where Omex or its service providers operate. Our Privacy Notice will be accessible through the Platform and describes the processing of your personal information in connection with the Platform Services.

6.2. Security. We care about the integrity of your personal information. However, we cannot guarantee that unauthorized third parties will never be able to defeat our security measures or to use your data for improper purposes. You acknowledge that you provide your data at your own risk.

7. Intellectual Property; Restrictions on Use of Materials; Confidentiality

7.1. Intellectual Property Rights. For the purposes of these Terms, “Intellectual Property Rights” means all patent rights, copyright rights, mask work rights, moral rights, rights of personality, trademark, trade dress and service mark rights, goodwill, trade secret rights, and any and all other intellectual property rights and proprietary rights as may now exist or hereafter come into existence, and all applications therefor and registrations, renewals, and extensions thereof, under applicable law.

7.2. Platform Intellectual Property. You understand and acknowledge that we (or our licensors) own and will continue to own all rights (including all Intellectual Property Rights), title, and interest in and to the Platform and Platform Services, all materials and content displayed or otherwise made available on and/or through the Platform Services (including, without limitation, images, text, graphics, illustrations, logos, photographs, audio, videos, and music; but, excluding your User Content), and all software, algorithms, code, technology, and all intellectual property underlying and/or included in or with the Platform or Platform Services (collectively and individually, “Intellectual Property”) are owned by our Platform Licensor or other third-party licensors, and are made available to you by Omex under license from the Platform Licensor. Except as may be explicitly provided herein, nothing in these Terms will be deemed to create a license in or under any such Intellectual Property Rights, and you will not access, sell, license, rent, modify, distribute, copy, reproduce, transmit, display, perform, publish, adapt, edit, or create derivative works of any Intellectual Property. Use of any Intellectual Property for any purpose not expressly permitted by these Terms is strictly prohibited.

7.3. Content.

7.3.1. You acknowledge that this Platform contains but is not limited to information, text, videos, sounds, graphics, artwork, user and visual interfaces, questions, creative suggestions, messages, comments, feedback, ideas, articles and other materials (collectively, “Content”) that are protected by copyrights, patents, trademarks, service marks, trade secrets and/or other proprietary rights, and that these rights are valid and protected in all forms, media and technologies existing now or hereafter developed. All Content is owned, controlled, or licensed by or to us (including under license from the Platform Licensor) and is protected by applicable law, including United States copyright laws and other intellectual property laws, and, if applicable, similar foreign laws. Subject to any copyrights or other rights of the original owners of such Content, we or our licensors, including the Platform Licensor, also own copyrights in the selection, coordination, arrangement and enhancement of such Content.

7.3.2. Content is provided exclusively for your personal and noncommercial access and use. You may not modify, publish, republish, transmit, distribute, perform, participate in the transfer or sale, create derivative works of, or in any other way exploit (including but not limited to commercial use), any of the Content, in whole or in part without the prior written consent of Omex in each instance. When Content is downloaded to your computer or any mobile or other device, you do not obtain any ownership interest in such Content. Modification of the Content or use of the Content for any other purpose, including, but not limited to, use of any Content in printed form or on any other application or networked computer environment, is strictly prohibited unless you receive our prior written consent.

7.3.3. Content on the Platform may include or make available general news and information, commentary, research reports and data concerning the financial markets, securities, commodities, digital assets, and other subjects; and access to blogs, wikis, online webinars, conferences, telecasts, podcasts and other public forums. By using the public areas of the Platform, you are indicating your acceptance, without modification, of the disclaimers, terms and conditions set forth herein, which apply equally to Omex, the Platform and any Content provided on the Platform by third-party information providers.

7.3.4. Content posted on the Platform is published as of its stated date or, if no date is stated, the date of first posting. Except as may be required by applicable law, Omex has no duty to update any such information, and Omex may discontinue or modify any category of Content at any time.

7.4. Brands.

7.4.1. The name Omex, the Omex logo, and other trademarks, service marks, names, slogans, graphics, and logos of Omex used in connection with the Platform and the Platform Services (collectively, "Brands") are the common law trademarks or registered trademarks of Omex and its licensors. Other trademarks, service marks, graphics, and logos appearing on the Platform are trademarks of their respective owners. Nothing contained on the Platform should be construed as granting any license or right to use any of the Brands or third-party marks appearing on the Platform without the prior written consent from us or any party that may own any of the third-party marks. All third-party product and company names and marks appearing on the Platform are the trademarks of their respective holders. Use of them does not imply any affiliation with or endorsement by any such third parties.

7.4.2. 19. Additional Terms for Apps

19.1. General. To use any App, you must have a mobile device that is compatible with such App. Omex does not warrant that any App will be compatible with your mobile device. You may use mobile data in connection with an App and may incur additional charges from your wireless provider in connection with such App. You understand and acknowledge that you are solely responsible for any such charges. We hereby grant you a non-exclusive, limited, non-transferable, and freely revocable license to use a compiled code copy of the App(s) under your user account on one (1) or more mobile devices owned or controlled solely by you (except to the extent Apple or Google permits any shared access and/or use of the iOS App or Android App (as

each of those terms is defined below), respectively), solely in accordance with these Terms. The foregoing license grant is not a sale of any App or of any copy thereof. You may not: (a) modify, disassemble, decompile, or reverse engineer any App, except to the extent that such restriction is expressly prohibited by applicable law; (b) rent, lease, loan, resell, sublicense, distribute, or otherwise transfer any App to any third party, or use any App to provide time sharing or similar services for any third party; (c) make any copies of any App; (d) remove, circumvent, disable, damage, or otherwise interfere with security-related features of any App, features that prevent or restrict use or copying of any content accessible through any App, or features that enforce limitations on use of the Apps; or (e) delete the copyright or other proprietary rights notices on any App. You acknowledge that we may, from time to time, issue upgraded versions of the Apps, and we may automatically electronically upgrade the version of the App that you are using on your mobile device. You consent to such automatic upgrading on your mobile device, and you understand and acknowledge that the terms and conditions of these Terms will apply to all such upgrades. Any third-party code that may be incorporated into an App is covered by the applicable open source or third-party license, if any, authorizing use of such code. The Platform Licensor and/or our other third-party partners, licensors, or suppliers retain all right, title, and interest in and to the Apps (and any copies thereof). Any attempt by you to transfer or delegate any of the rights, duties, or obligations hereunder, except as expressly provided for in these Terms, is void. We reserve all rights not expressly granted under these Terms.

19.2. iOS App. This Section 19.2 (iOS App) applies to any App you acquire from the Apple App Store (such App, “iOS App”). You and Omex understand and acknowledge that these Terms are solely between you and Omex, not Apple, Inc. (“**Apple**”), and that Apple has no responsibility for the iOS App or content thereof. Your access to and use of the iOS App must comply with the usage rules set forth in Apple’s then-current [Apple Media Services Terms and Conditions](#) and with the applicable [Volume Content Terms](#). You acknowledge that Apple has no obligation whatsoever to furnish any maintenance and support services with respect to the iOS App. In the event of any failure of the iOS App to conform to any applicable warranty, you may notify Apple, and Apple will refund the purchase price (if any) for the iOS App to you; to the maximum extent permitted by applicable law, Apple will have no other warranty obligation whatsoever with respect to the iOS App, and any other claims, losses, liabilities, damages, costs, or expenses attributable to any failure to conform to any warranty will be governed solely by these Terms and any law applicable to Omex as provider of the iOS App. You and Omex acknowledge that Apple is not responsible for addressing any claims of you or any third party relating to the iOS App or your possession and/or use of the iOS App, including, but not limited to: (a) product liability claims; (b) any claim that the iOS App fails to conform to any applicable legal or regulatory requirement; and (c) claims arising under consumer protection or similar legislation. You acknowledge that, in the event of any third-party claim that the iOS App, or your possession and use of that iOS App, infringes that third party’s intellectual property rights, Omex, not Apple, will be solely responsible for the investigation, defense, settlement, and discharge of any such intellectual property infringement claim, to the extent required by these Terms. You and Omex acknowledge and agree that Apple and Apple’s subsidiaries are third-party beneficiaries of these Terms as relates to your license of the iOS App, and that, upon your acceptance of the terms and conditions of these Terms, Apple will have the right (and will be deemed to have accepted the

right) to enforce these Terms as relates to your license of the iOS App against you as a third-party beneficiary thereof.

19.3. Android App. The following applies to any App you acquire from the Google Play Store (such App, “Android App”): (a) you acknowledge that these Terms are between you and Omex only, and not Google LLC or any affiliate thereof (collectively, “Google”); (b) your access to and use of the Android App must comply with Google’s then-current [Google Play Terms of Service](#); (c) Google is only a provider of the Google Play Store where you obtained the Android App; (d) Omex, and not Google, is solely responsible for the Android App; (e) Google has no obligation or liability to you with respect to the Android App or these Terms; and (f) you understand and acknowledge that Google is a third-party beneficiary to these Terms as they relate to the Android App.

20. Text Messaging and Calls

20.1. General. You may provide us with your telephone number as part of creating your user account or otherwise. By providing a telephone number, you consent to receiving autodialed or prerecorded calls and/or text messages from us, or on our behalf, at such telephone number. We may place such calls or send such texts to (a) help keep your user account secure through the use of multi-factor authentication (“MFA”); (b) help you access your user account if you are experiencing difficulties; and/or (c) as otherwise necessary to service your account or enforce these Terms, our policies, applicable law, or any other agreement we may have with you (including the Service Specific Terms). Part of the MFA identity-verification process may involve Omex sending text messages containing security codes to the telephone number you provided, and you agree to receive such texts from or on behalf of Omex.

20.2. Consent to Transactional Communications. You expressly consent and agree to Omex contacting you using written, electronic, and/or verbal means, including manual dialing, emails, prerecorded/artificial voice messages, and/or using an automatic telephone dialing system to call or text your mobile/cellular telephone number, as necessary to administer your account, provide technical support, verify your identity, provide security notifications, and service your use of the Platform and to service your account, and as permitted by applicable law, in each case even if the phone number is registered on any United States federal and/or state Do-Not-Call/Do-Not-email registry/ies. Message and data rates apply. For purposes of clarity, the text messages described in this paragraph are transactional text messages, not promotional text messages.

20.3. Consent to Promotional Messages. Additionally, we offer you the chance to enroll to receive recurring SMS/text messages from Omex. You may enroll to receive text messages about account-related news and alerts and/or promotional offers and marketing related to Omex products and/or services. By enrolling in Omex’s SMS/text messaging service, you agree to receive text messages from Omex to the mobile phone number provided by you, and you certify that such mobile number is true and accurate and that you are authorized to enroll such mobile number to receive such texts. You acknowledge and agree that the texts may be sent using an automatic telephone dialing system and that message and data rates apply. Check your mobile plan and contact your wireless provider for details. You are solely responsible for all charges related to SMS/text messages, including charges from your wireless provider. Message

frequency varies. Consent is not required as a condition of purchase. To the extent permitted by applicable law, we are not responsible for any delays upon sending or receiving text messages.

20.4. Unsubscribing From Text Messages. You may opt out from promotional and recurring transactional text messages at any time. To unsubscribe from promotional text messages, text “STOP,” “QUIT,” “END,” “CANCEL,” or “UNSUBSCRIBE” from the mobile device receiving the messages, or reply “STOP,” “QUIT,” “END,” “CANCEL,” or “UNSUBSCRIBE” to any promotional text message you receive from Omex. You consent that following such a request to unsubscribe, you may receive one (1) final text message from or on behalf of Omex confirming your request. For help, contact us at support@omen.trade.

21. Geographic Scope and Eligibility

21.1. General Availability. You acknowledge that the Platform and certain Platform Services may be limited to persons who satisfy the eligibility criteria established by Omex from time to time. The availability of specific Platform Services may vary based on applicable laws, regulatory requirements, licensing limitations, and other criteria as determined by Omex in its sole discretion. Not all Platform Services are available in all jurisdictions.

21.2. Non-Resident Users. Certain Platform Services may be made available to persons located outside the Cayman Islands, subject to the applicable Service Specific Terms, eligibility criteria, and jurisdictional restrictions as determined by Omex in its sole discretion and as set forth in the applicable Service Specific Terms. The availability of any Platform Service does not constitute an offer or solicitation in any jurisdiction where such offer or solicitation would be unlawful or where Omex is not authorized to provide such Platform Services. Users are solely responsible for determining whether their access to and use of any Platform Service complies with all laws and regulations applicable to them in their jurisdiction of residence and location.

21.3. No Unsolicited Offers. Nothing in these Terms, the Service Specific Terms, or on the Platform or available through any Platform Services shall be construed as an offer, solicitation, or invitation to any person in any jurisdiction where such offer, solicitation, or invitation would be unlawful.

21.4. No Warranty of Foreign Compliance. Omex does not represent or warrant that any aspect of the Platform or Platform Services, including any information, content, or materials available from or through the Platform, complies with the laws, regulations, or regulatory requirements of any jurisdiction other than the Cayman Islands. Users who access any permitted Platform Service from outside the Cayman Islands do so at their own risk and are solely responsible for compliance with their local laws.

21.5. User Representations. You represent and warrant that you satisfy all eligibility criteria specified by Omex and in the applicable Service Specific Terms for the Platform Services you access, including any residency, identity verification, or tax identification requirements.

21.6. Jurisdictional Restrictions. Users located in, or who are nationals or residents of, any jurisdiction subject to comprehensive sanctions administered by the Cayman Islands Monetary Authority, the United Nations Security

Council, or the U.S. Department of the Treasury's Office of Foreign Assets Control are prohibited from accessing or using the Platform or any Platform Service, as further set forth in Section 24 of these Terms. Omex may, without prior notice or liability, restrict, suspend, geo-block, disable or terminate access to all or any part of the Platform or Platform Services where Omex determines, in its sole discretion, that such action is necessary or desirable to comply with applicable law, sanctions, AML/CTF requirements, regulatory guidance, internal compliance policies, requests from competent authorities or to avoid Omex being regarded as carrying on any regulated activity in any jurisdiction.

21.7. BVI Restricted Persons. Without limiting the foregoing, the Platform and Platform Services are not offered to, and may not be accessed or used by, any person who is resident, domiciled, located or incorporated in the British Virgin Islands, or any person accessing the Platform from within the British Virgin Islands, unless Omex has expressly confirmed in writing that such access is permitted. You represent and warrant that you are not a BVI Restricted Person and will not use any virtual private network, proxy server or other technical means to circumvent any geographic, regulatory or eligibility restriction imposed by Omex.

22.2. Crypto Asset Securities Disclosures. To the extent that you use the Platform to prepare transaction instructions involving Crypto Asset Securities, you acknowledge and agree that: (a) the Company is not registered with or regulated by the U.S. Securities and Exchange Commission as a broker-dealer in connection with its creation, offering, or operation of the Platform; (b) the Company's fees, their calculation, and their structure are as disclosed on the Platform and are subject to change upon notice to you as contemplated herein; (c) material conflicts of interest associated with Crypto Asset Securities transactions and the use of your trading information by the Company or its affiliates, if any, are disclosed on the Platform; (d) the Platform may have limitations, permissions, or restrictions regarding specific Crypto Asset Securities, market data, and trading venues or Distributed Ledger Trading Systems available for your transactions, as disclosed on the Platform; (e) the software parameters used in the Platform

22.3. User Acknowledgments Regarding Platform Interactions. By using the Platform to prepare transaction instructions relating to any Crypto Asset or Crypto Asset Securities transaction, you represent, warrant, and acknowledge that: (a) you have sole control over your Self-Custodial Wallet and private keys and are solely responsible for their security; (b) all transactions you initiate through the Platform are user-directed, and the Company provides only the software interface to allow you to broadcast your own transactions to permissionless networks; (c) you understand that transactions on blockchain protocols or Distributed Ledger Trading Systems are generally irreversible once confirmed on the applicable blockchain; (d) you understand and accept the risks associated with interacting with non-custodial, self-executing smart contracts deployed on public blockchain infrastructure, including price volatility, liquidity risks, smart contract vulnerabilities, and the risk of loss due to transaction ordering strategies such as maximal extractable value ("MEV"); (e) you are not relying on the Company for any investment advice, recommendation, or assessment of suitability regarding any Crypto Asset or Crypto Asset Securities transaction; (f) you are solely responsible for determining whether your access to and use of the Platform complies with all laws and regulations applicable to you, including any applicable virtual assets service provider registration requirements in your jurisdiction; (g) you understand that the Company is a technology infrastructure provider and does not perform any financial service, custodial function, or transaction execution; and (h) you understand that the regulatory frameworks applicable to virtual assets and Crypto Asset Securities are evolving and that the availability, features, or functionality of the Platform may change as a result of regulatory developments.

22.4. Blockchain Transaction Risk. Omex does not maintain deposit accounts, payment accounts, custodial accounts or virtual asset accounts for users and does not debit, credit, reverse, reimburse or otherwise process any user transaction. You are solely responsible for all transactions initiated through your Self-Custodial Wallet. Blockchain transactions may be irreversible once submitted or confirmed, and Omex has no ability or obligation to reverse, cancel, amend or recover any transaction or assets.

23. Governing Law; Jurisdiction; Agreement to Arbitrate; Class Action Waiver

Please read the following Arbitration Agreement in this Section carefully. It requires you to arbitrate disputes with Omex and limits the manner in which you can seek relief from us.

23.1. Governing Law. These Terms and your use of the Platform and Platform Services, and any disputes directly or indirectly arising from these Terms or your use of the Platform and

Platform Services, shall exclusively be governed by and construed in accordance with the laws of the Cayman Islands.

23.2. Jurisdiction. To the extent the parties are permitted under this Agreement to initiate litigation in a court, both you and Omex agree that all claims and disputes arising out of or relating to the Agreement will be litigated exclusively in the courts of the Cayman Islands. You hereby irrevocably consent and submit to the exclusive jurisdiction of such courts, and waive any objections to the exclusive jurisdiction of the Cayman Islands courts including on jurisdictional, venue, or inconvenient forum grounds.

23.3. Applicability of Arbitration Agreement. You agree that any dispute or claim relating in any way to your access or use of the Platform or Platform Services, to any products sold or distributed through the Platform or Platform Services, or to any aspect of your relationship with Omex, will be resolved by binding arbitration, rather than in court, except that (1) you may assert claims in small claims court if your claims qualify, so long as the matter remains in such court and advances only on an individual (non-class, non-representative) basis; and (2) you or Omex may seek equitable relief in court for infringement or other misuse of intellectual property rights (such as trademarks, trade dress, domain names, trade secrets, copyrights, and patents). This Arbitration Agreement shall apply, without limitation, to all claims that arose or were asserted before the Effective Date of this Agreement or any prior version of this Agreement.

IF YOU AGREE TO ARBITRATION WITH OMEX, PURSUANT TO THE TERMS OF THIS ARBITRATION AGREEMENT, YOU ARE AGREEING IN ADVANCE THAT YOU WILL NOT PARTICIPATE IN OR SEEK TO RECOVER MONETARY OR OTHER RELIEF IN ANY LAWSUIT FILED AGAINST OMEX ALLEGING CLASS, COLLECTIVE, AND/OR REPRESENTATIVE CLAIMS ON YOUR BEHALF. INSTEAD, BY AGREEING TO ARBITRATION, YOU MAY BRING YOUR CLAIMS AGAINST OMEX IN AN INDIVIDUAL ARBITRATION PROCEEDING. IF SUCCESSFUL ON SUCH CLAIMS, YOU COULD BE AWARDED MONEY OR OTHER RELIEF BY AN ARBITRATOR. YOU ACKNOWLEDGE THAT YOU HAVE BEEN ADVISED THAT YOU MAY CONSULT WITH AN ATTORNEY IN DECIDING WHETHER TO ACCEPT THIS AGREEMENT, INCLUDING THIS ARBITRATION AGREEMENT.

23.4. Arbitration. We each agree to resolve any applicable claim exclusively through binding arbitration by JAMS before a single arbitrator (the "Arbitrator"), under the Optional Expedited Arbitration Procedures then in effect for JAMS (the "Rules"), except as provided herein. JAMS may be contacted at www.jamsadr.com, where the Rules are available. In the event of any conflict between the Rules and this Arbitration Agreement, this Arbitration Agreement will control. The seat of the arbitration shall be the Cayman Islands and venue of the arbitration (and place where the arbitration will be conducted) is George Town, Grand Cayman, Cayman Islands.

23.5. Authority of Arbitrator. The Arbitrator, and not any court or agency, shall have exclusive authority to (a) determine the scope and enforceability of this Arbitration Agreement and (b) resolve any dispute related to the interpretation, applicability, enforceability or formation of this Arbitration Agreement including, but not limited to any claim that all or any part of this Arbitration Agreement is void or voidable. The arbitration will decide the rights and liabilities, if any, of you and Omex. The arbitration proceeding will not be consolidated with any other matters or joined with any other cases or parties. The Arbitrator shall have the authority to grant motions dispositive

of all or part of any claim. The Arbitrator shall have the authority to award monetary damages and to grant any non-monetary remedy or relief available to an individual under applicable law, the Rules, and the Agreement (including the Arbitration Agreement). The Arbitrator shall issue a written award and statement of decision describing the essential findings and conclusions on which the award is based, including the calculation of any damages awarded. To the fullest extent permissible by law, the Arbitrator has the same authority to award relief on an individual basis that a judge in a court of law would have. The award of the Arbitrator is final and binding upon you and us.

23.6. WAIVER OF TRIAL. YOU AND OMEX HEREBY WAIVE ANY RIGHTS TO SUE IN COURT AND HAVE A TRIAL IN FRONT OF A JUDGE OR A JURY. You and Omex are instead electing that all claims and disputes shall be resolved by arbitration under this Arbitration Agreement, except if otherwise specified in this agreement. An arbitrator can award on an individual basis the same damages and relief as a court and must follow this Agreement as a court would. However, there is no judge or jury in arbitration, and court review of an arbitration award is subject to very limited review.

23.7. Waiver of Class or Consolidated Actions. ALL CLAIMS AND DISPUTES WITHIN THE SCOPE OF THIS ARBITRATION AGREEMENT MUST BE ARBITRATED ON AN INDIVIDUAL BASIS AND NOT ON A CLASS BASIS, ONLY INDIVIDUAL RELIEF IS AVAILABLE, AND CLAIMS OF MORE THAN ONE USER CANNOT BE ARBITRATED OR CONSOLIDATED WITH THOSE OF ANY OTHER USER. Notwithstanding anything to the contrary herein, (a) a representative class or collective action for public injunctive relief may be arbitrated on a class basis, and (b) in the event that the foregoing sentence is deemed invalid or unenforceable with respect to a particular class or dispute for recovery of damages, neither you nor we are entitled to arbitration and instead claims and disputes shall be resolved in a court as set forth above.

23.8. Modification. Notwithstanding any provision in this Agreement to the contrary, we agree that if Omex makes any future material change to this Arbitration Agreement, it will not apply to any individual claim(s) that you had already provided notice to Omex, save insofar as you consent to any such change applying retroactively.

24. Sanctions and Export Controls

You understand and acknowledge that the Platform and one or more of the Platform Services may be subject to export control laws, sanctions, and anti-money laundering regulations. You will comply with all applicable sanctions, anti-money laundering, and counter-terrorist financing laws and regulations, including those administered by the Cayman Islands Monetary Authority, the United Nations Security Council, the U.S. Department of the Treasury's Office of Foreign Assets Control ("OFAC"), and the U.S. Department of Commerce. You represent and warrant that you are not, and that no person to whom you make the Platform Service available or that is acting on your behalf, or, if you are an organization, that no person or entity owning 50% or more of your equity securities or other equivalent voting interests, is (a) listed on any sanctions list maintained by the Cayman Islands, the United Nations, OFAC, or any other applicable governmental authority, or (b) located in, a national or resident of, or a segment of the government of, any country or territory that is the subject of comprehensive sanctions. The foregoing restrictions are

non-exclusive, and certain Platform Services may have additional restrictions, as set forth in the applicable Service Specific Terms.

25. General

25.1. Severability. If any provision of these Terms shall be unlawful, void, or for any reason unenforceable, then that provision shall be deemed severable from these Terms and shall not affect the validity and enforceability of any remaining provisions.

25.2. Amendments. Omex, in its sole discretion, has the right to make modifications to these Terms at any time and without advance notice, and will publish the modified Terms on the Platform and/or through Platform Services. Continued use of the Platform and/or Platform Services is evidence of your agreement to the modified Terms. If you do not accept the amendment(s), please immediately cease all access to and use of the Platform and Platform Services. For any questions as to the rights and obligations between users and Omex, the modified Terms will prevail.

25.3. Entirety of Agreement. Our failure to enforce the strict performance of any of the provisions of these Terms or the Platform Contracts will not waive our right to later enforce those provisions. These Terms, together with other Account Agreements, the Privacy Notice, and the terms governing any individual page on the Website or screen on the Application, are the entire agreement between you and us relating to the subject matter herein.

25.4. Third Party Rights.

Except as otherwise noted in this Agreement, no person or entity who is not a party to these Terms shall have any right to enforce or to enjoy the benefit of any of these Terms under the Contracts (Rights of Third Parties) Act (as Revised) of the Cayman Islands or otherwise, regardless of whether such person or entity has been identified by name, as a member of a class or as answering a particular description. For the avoidance of doubt, this shall not affect the rights of any permitted assignee or transferee of these Terms. Notwithstanding any term of this Agreement, the consent of or notice to any person who is not a party to this Agreement shall not be required for any termination, rescission or agreement to any variation, waiver, assignment, novation, release or settlement under this Agreement at any time.

25.5. Assignment. You may not assign, sub-contract or otherwise transfer any right or obligation under these Terms without our prior written consent. We can assign, sub-contract or transfer any right or obligation under these Terms, in whole or in part, without your consent, subject to compliance with applicable laws. In addition, if we are acquired by or merged with a third-party entity, we reserve the right to transfer or assign the information we have collected from you as part of such merger, acquisition, sale, or other change of control.

25.6. Survival. Upon termination of these Terms or of your user account: (a) your license rights will terminate and you must immediately cease all use of the Platform and the Platform Services; (b) you will no longer be authorized to access your account, the Platform or the Platform Services; and (c) you must pay Omex any unpaid amount(s) due prior to the effective date of termination. Sections 1, 2.2, 2.3, 3.1, 3.4, 6 through 18, and 20 through 25 will survive expiration or termination of these Terms.

25.7. No Waiver. No waiver of any term of these Terms will be deemed a further or continuing waiver of such term or of any other term, and our failure to assert any right or provision under these Terms will not constitute a waiver of such right or provision.

25.8. Regulatory Matters. The provider of the Platform Services is the Company. The Company's primary business objective is the customization, deployment, and maintenance of passive, non-executable software code and matching-engine algorithms, which are licensed to the Company by a third-party platform licensor (the "Platform Licensor"). The Company is not registered as a virtual asset service provider under the BVI VASPA and has structured its activities to fall within the exclusions set forth in Section 2(2) of the BVI VASPA for providers of ancillary infrastructure, software developers, and creators of software applications. The Company does not engage in any regulated "virtual assets service" as defined under the BVI VASPA. To the extent that any Platform Services are subject to regulatory requirements under the laws of any applicable jurisdiction, the Company will comply with such requirements as applicable.

25.9. Contact Us. Questions, complaints, or claims regarding the Platform or Platform Services should be directed to us at support@omen.trade.

25.10. Interpretation. The word "and/or" as used in this Agreement has an inclusive meaning, equivalent to "or". The terms 'include' and 'including' will be deemed to be immediately followed by the phrase "without limitation." The headings appearing at the beginning of several Sections contained in this Agreement have been inserted for identification and reference purposes only and must not be used to construe or interpret this Agreement. The word "will" as used in this Agreement has its common meaning, as well as the meaning ascribed to the word "shall": expressing a current obligation, or obligation that will arise in the future. Defined terms in the singular include the plural and vice versa. Words in the masculine gender include the feminine and neuter gender and vice versa. Words such as "herein," "hereinafter," "hereto," "hereby," and "hereunder," when used in this Agreement, refer to this Agreement as a whole, unless the context otherwise requires.
